Lo styling ROMANTIC

VINTAGE della produzione

Altamoda ammicca

al gioco di ruoli della

seduzione e, frivolo e

piacevole, immerge in uno

scenario a metà strada

tra Hollywood e le fiabe.

La palette è scandita dai

toni pastello del cipria e

dell'avorio,

declinati con perle e sete

per accostarsi, anche in

questo caso, alla pelliccia

rifinita in tessuto glitter o

marabout.

Il set è principesco e di

un'eleganza d'antan che

Altamoda ripropone per

irrompere nei contesti

odierni consacrati al

minimalismo sfrenato.

romantic vintage

The styling ROMANTIC VINTAGE of the production by Altamoda winks at the role play of seduction and, being frivolous and pleasant, plunges you into a scenario that is mid-way between Hollywood and the tales. Colour consist of pastel shades of powder and ivory, inflected with pearls and silks in order to match, even in this case, with the fur refined with glitter fabric or marabout.

The set is princely and with the elegance of ancient times that Altamoda re-suggests in order to burst into today's contexts that oriented to the wild minimalism.

Altamoda è il nuovo classico che non si consuma con le mode ma si consolida nel tempo interpretando quella tendenza marcatamente luxury-oriented che incontra i gusti di un consumatore sempre più attento. Ricerca dell' eccellenza e la voglia di creare good design si uniscono in un connubio sancito dalla tradizione e dall'esperienza di famiglia.

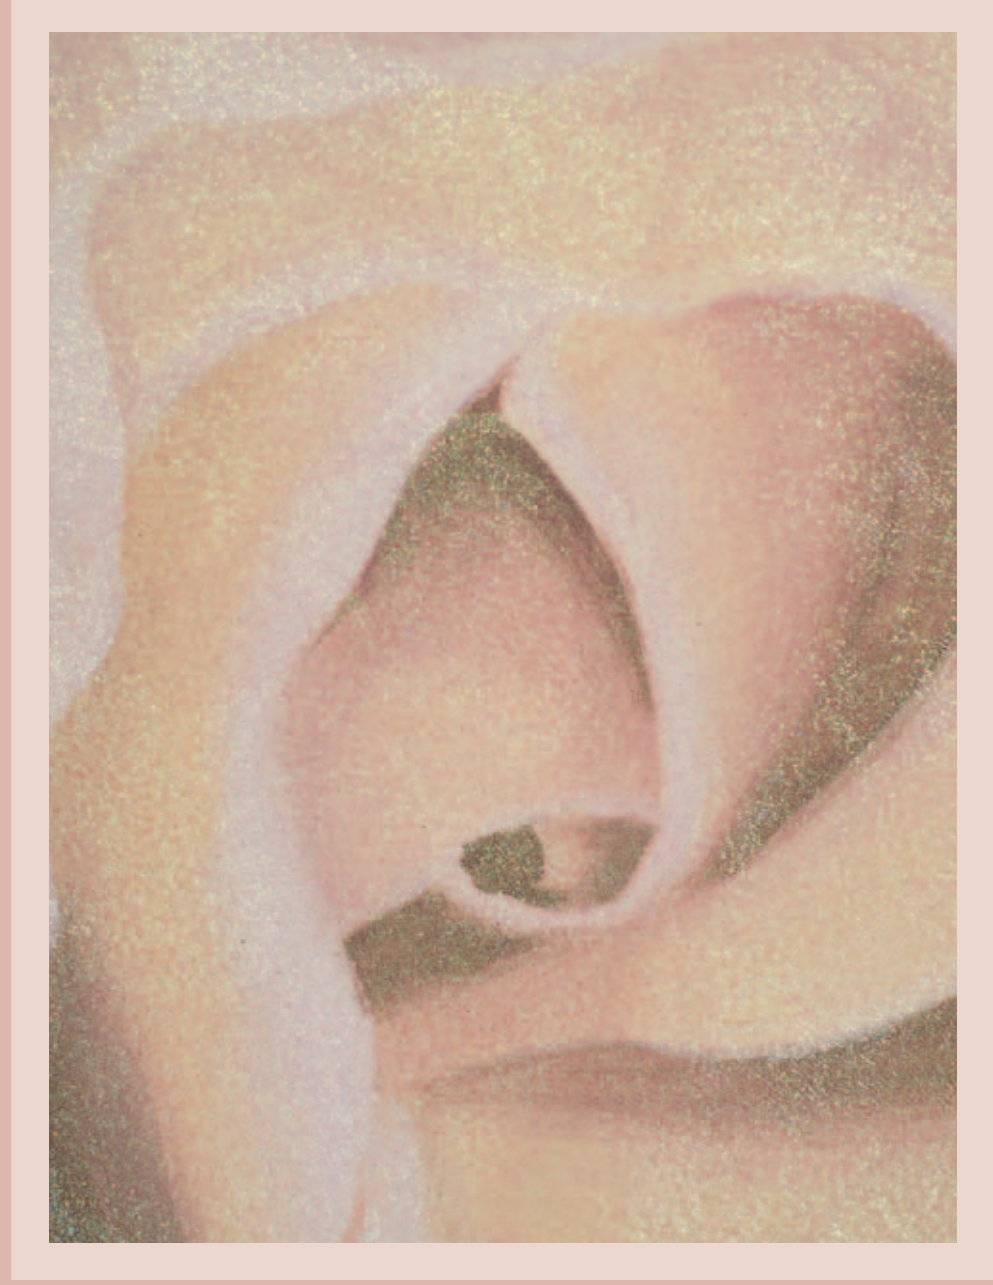

Altamoda is the new classic that never uses up with fashions, but it consolidates itself over the time by interpreting that strongly luxury-oriented trend that meets the tastes of a more and more careful consumer. The search of excellence and the will to create good design combine themselves in a union that is characterised by family tradition and experience.

La collezione

TOTAL BLACK si propone
come uno scenario rigoroso
e, a tratti, imponente.

BLACK IS BACK!

Il nero: 'che non passa mai
di moda', 'che sta bene con
tutto' regala il suo impeccabile
garbo ad un arredo dalle linee
improbabili consacrando a
divenire simbolo di quel savoir
faire tipico dell'azienda.

Sedute decisamente atipiche
si fanno gioco di glitter e
marabout; il letto tondo king-
size diventa altare della
seduzione dell'oblio; la
tavola risponde per le rime e
si agghinda a tono.

È il nuovo optical: che lascia le
geometrie 60's per incontrare
un neo-barocco d'effetto e
assurgere a nuova vita!

total black

ALTAMODA®

The TOTAL BLACK collection
wants to be a rigorous and,
sometime, imposing scenario.

Black is back!

Black “that never goes
out of fashion”, “that fits
with everything” offers its
impeccable elegance to a
furniture with improbable lines
making it become a symbol of
that savoir faire that is typical
of this company.

Very atypical seats play with
glitter and marabout; the
round king-size bed becomes
a seductive altar of oblivion;
the table gives tit for tat and
dresses up to the point.

It is the new optical: it
abandons the 60s geometries
to meet a neo-baroque and to
rise to a new life!

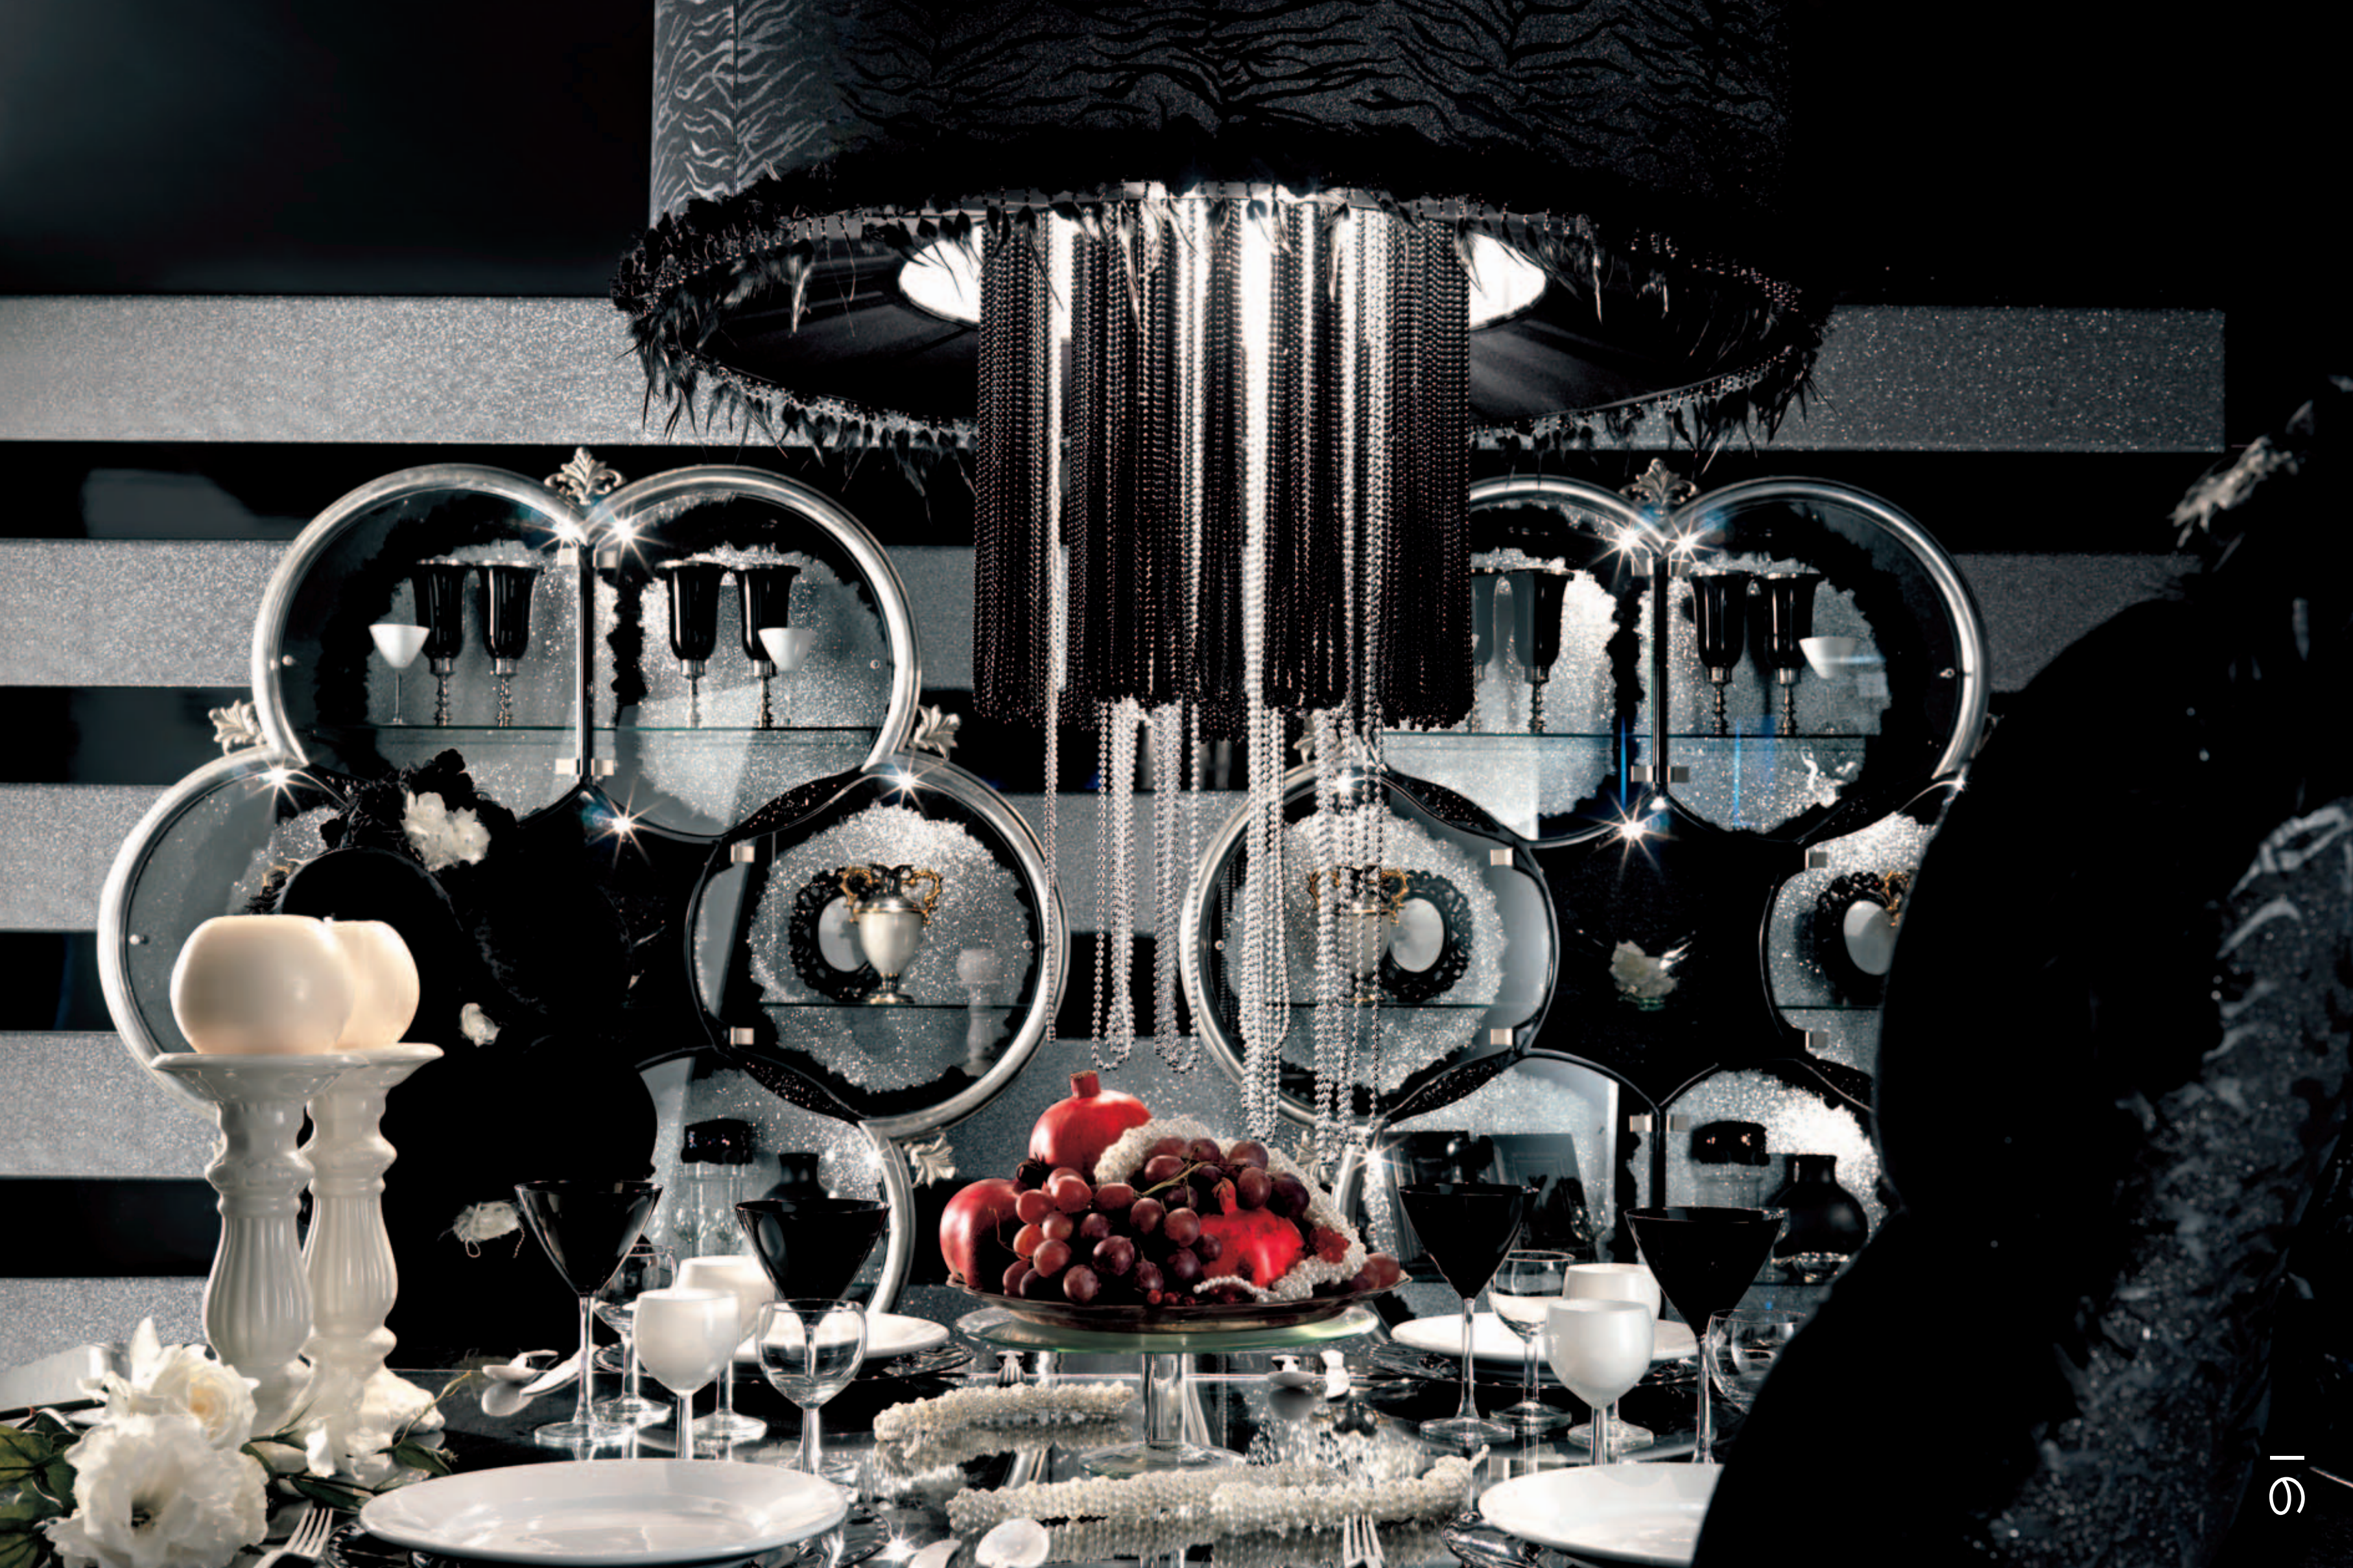

Un' eleganza volutamente eccessiva che non ama prendersi troppo sul serio e diletta chi la vive perché regala quella leggerezza e quella morbidezza quasi sempre impossibili al nostro mondo.

A deliberately excessive elegance that does not like to take itself seriously and delights those who live it because it gives as a gift that thoughtlessness and that softness that are always impossible for our world.

New York - 11:45 p.m.

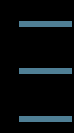

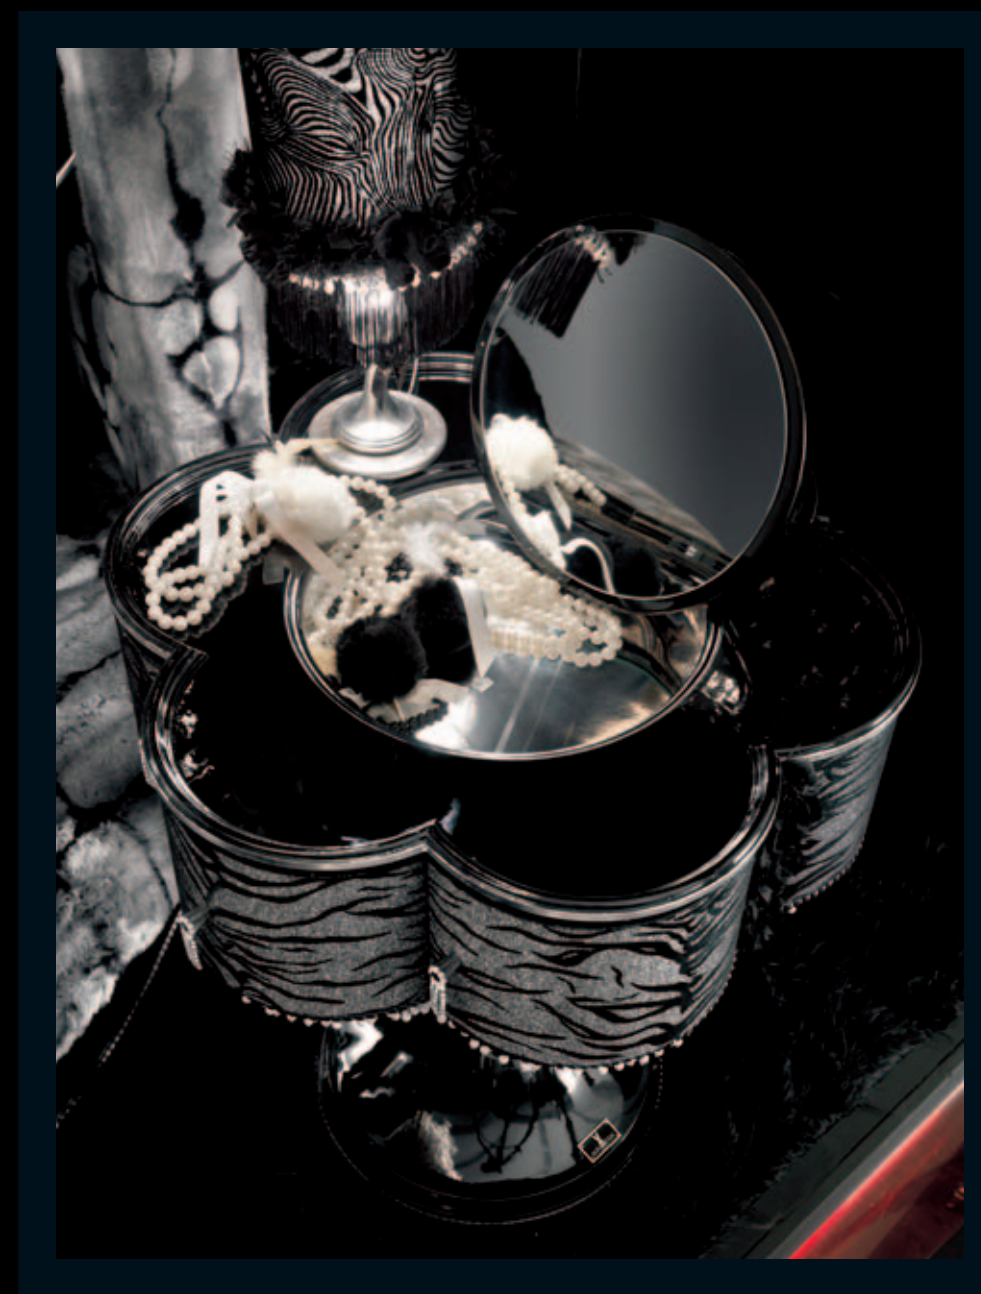

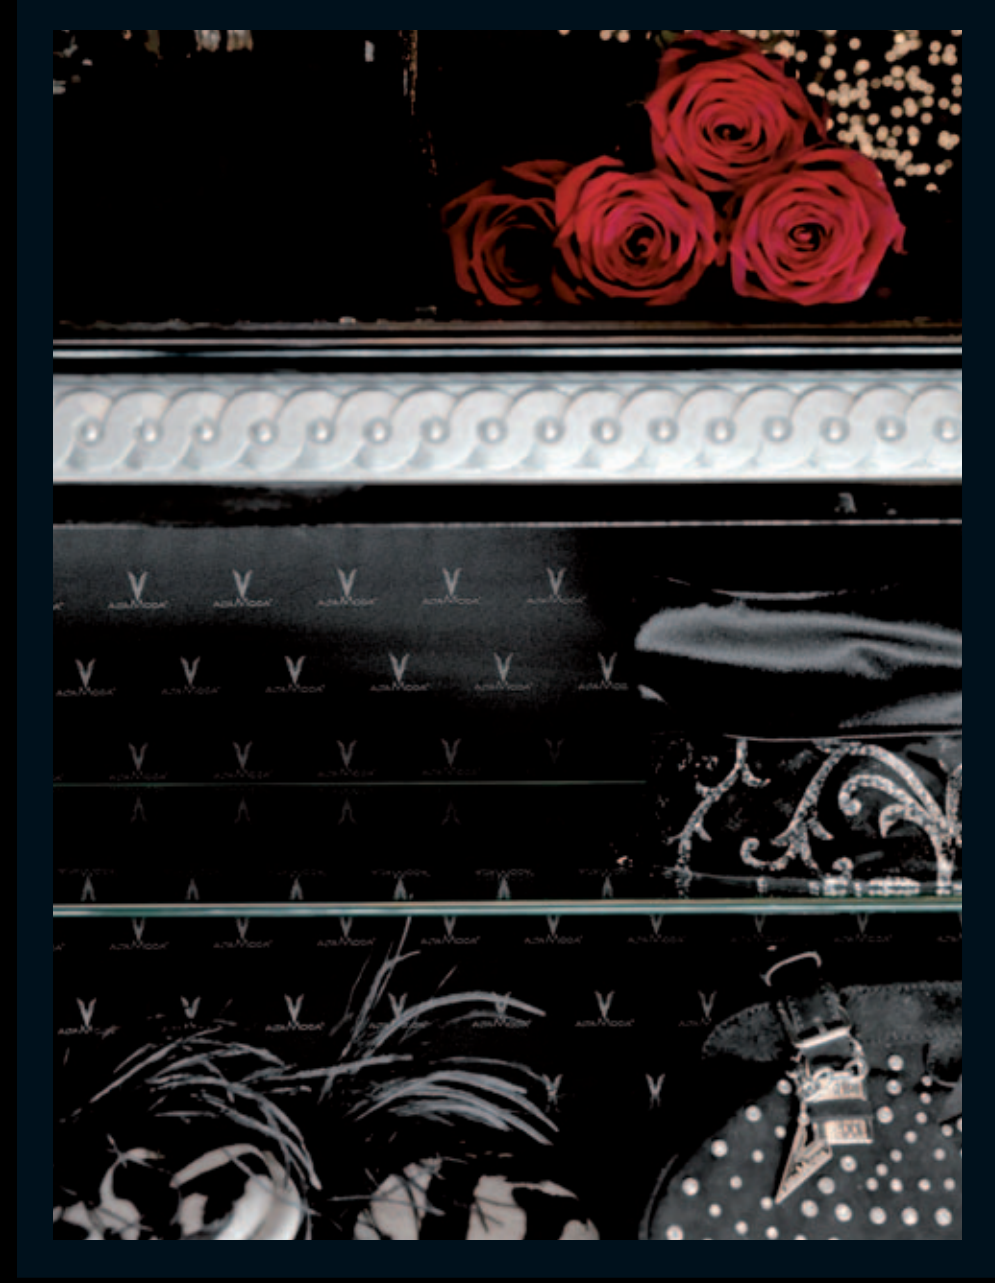

exotic home

EXOTIC HOME di Altamoda si manifesta in una propensione all'esotismo del tutto particolare e contraddittoria che accosta all'aggressività delle stampe maculate, la delicatezza del raso e della seta, la morbidezza della pelliccia ecologica bianca e del marabout.

Per saziare un 'mal d'africa' sui generis e ben oltre la semplice funzione decorativa. Si definiscono così ambienti dall'atmosfera lussureggiante, che indubbiamente seducono e immergono in una dimensione che seppur lontana dai contesti quotidiani, conserva un allure metropolitana perchè ci fa pensare al viaggio che non abbiamo ancora fatto o quel magnifico soggiorno il cui ricordo ogni volta ci fa sognare.

The Altamoda's EXOTIC HOME side shows itself through its very special and contradictory tendency to exoticism that matches the aggressiveness of spotted patterns and satin and silk delicacy as well as the softness of the white artificial fur and of marabout.

To heal a sui generis "Africa sickness" and to go further beyond the simple decorative function. In this way, places with a rich atmosphere are defined; without any doubt they charm and plunge you into a dimension that, although it is far away from the daily scenarios, keeps a metropolitan allure because it makes us think of the journey we have not made yet or to that wonderful stay the memory of which makes us dream.

Una rinnovata concezione di intendere lo spazio che coniuga l'antica tradizione 'mobiliara' con materiali presi in prestito dalla moda proponendo così un'attitudine assolutamente eclettica di vivere la casa!

A renewed concept of meaning the space, which combines the ancient furniture-maker tradition of the Pisa sector and materials being borrowed from the fashion sector, thus suggests an absolute versatile attitude of living the house!

SHOPS AND SHOWROOMS IN THE WORLD

ALTAMODACAFFE'
CASTELLINARIA FUSION & RESTAURANT

IL DESIGN SEDUCE IL PALATO

MILANO

L'audacia di AltaModa e l'estro e la creatività di Castellinaria si incontrano per creare il primo showroom fuori dagli schemi. Nel cuore di Brera, in via Ponte Vetere al n.14 nasce una nuova filosofia, una identità capace di proporre l'arredamento ed il design sotto forma di relax, atmosfera, ottimo cibo e caffetteria di qualità. Milano, capitale della moda e del design, zona Brera, quartiere simbolo dell'arte e della creatività milanese, diventa la perfetta collocazione, il cuore pulsante di quello che è solo il primo di un progetto ambizioso che aspira a diffondere la filosofia cibo/design attraverso un percorso di realtà firmate AltaModa e Castellinaria, in Italia e nel mondo. un sincero ringraziamento a Francesca Mondini.

The boldness of AltaModa and the creative flair of Castellinaria come together to create the first showroom that breaks all the rules. In the heart of the Brera neighbourhood of Milan, at Via Ponte Vetere n.14, a new philosophy has come to life, a new showcase for interior decoration and design that combines leisure, ambience, gourmet food, and first-rate coffee. Milan in the capital of fashion and design, and Brera is the neighbourhood that symbolizes the city's art and creativity: an ideal location, the vital heart of what is just the first step in an ambitious project that aspires the spread its philosophy of food and design through a series of venues that will bear the names of AltaModa and Castellinaria, in Italy and throughout the world. Sincere thanks to Francesca Mondini.
