

GOLDCONFORT

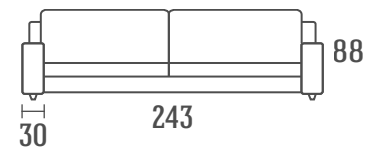

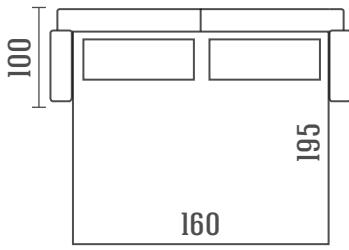

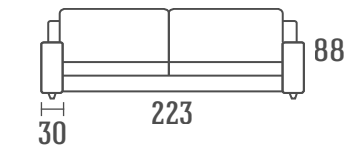

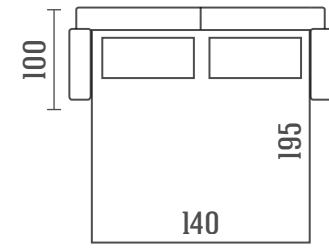

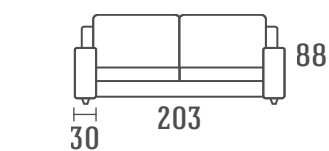

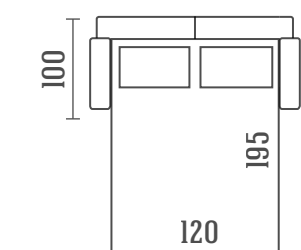

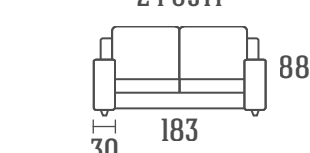

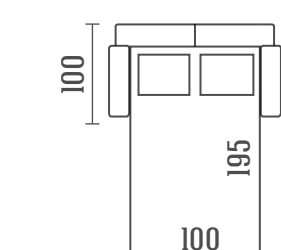

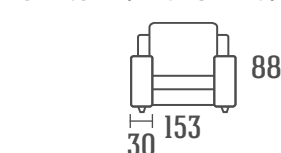

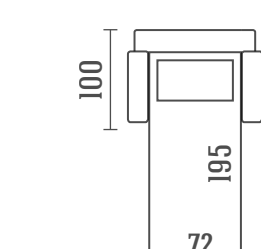

Meccanismo due pieghe con sistema di apertura rapido tramite trazione dallo schienale, dotato di un piede frontale in lamiera sagomata che oltre a garantire una maggiore stabilità, offre un design importante ed innovativo e di baionette per il fissaggio rapido di schienale e braccioli. Sono disponibili due versioni di schienale: quella Semplice e quella porta cuscini (foto 2). A questo meccanismo può essere abbinato un materasso in: poliuretano densità 35kg/m3 con o senza molle (foto A), poliuretano densità 35kg/m3 con rivestimento in tessuto 3D (foto B) e poliuretano doppia densità 35kg/m3 con memory foam (foto C, D). La lunghezza del materasso è di 195 cm e l'altezza massima 13/14 cm. Tutti i nostri materassi sono sfoderabili.

Mechanism with rapid opening system, which operates through traction from the backrest. It features an important and innovative design for a molded sheet front foot which guarantees greater stability. Extra thick belt leverage. This mechanism also features bayonet coupling for rapid backrest and arm fastening. Two versions of backrests are available, namely Semplice (simple version) and Portacuscini (cushion holder version, photo 2). This mechanism can be matched with mattress in: polyurethane foam 35kg/m3 density (photo A), polyurethane foam 35kg/m3 density with 3d cover (photo B) and double density polyurethane 35kg/m3 + memory foam (photo C, D). The mattress size is 195 cm in length and 13/14 cm in height. All our mattresses are slipcover.

Mécanisme deux plis avec système d'ouverture rapide par traction du dossier. Le pied antérieur en métal profilé garantit une stabilité meilleure et donne un design plus important. Avec baïonnettes pour le fixation du dossier et des accoudoirs. Deux versions de dossier disponibles : Simple ou avec range oreillers (photo 2). On peut choisir entre 3 différents versions de matelas : en polyuréthane densité 35kg/m3 avec ou sans ressorts (photo A) , en polyuréthane densité 35kg/m3 avec revêtement en tissu 3D (photo B) et en polyuréthane double densité 35kg/m3 avec mousse mémoire (photo C, D). La profondeur du matelas est de 195cm et l'épaisseur est de 13cm. Tout matelas sont déhoussables.
