GOLDCONFORT

GOLDCONFORT è un’ azienda moderna e dinamica nata da giovani ed affermati imprenditori.
Attraverso un’accurata selezione di pelli di alta qualità e di tessuti esclusivi e grazie alla tecnologia di cui dispone ed ai severi controlli che effettua sui semi-lavorati e sui prodotti finiti, trova oggi una sua dimensione e costituisce un’importante realtà per l’imbottito. L’obiettivo di Goldconfort è creare un prodotto adatto ad ogni ambiente grazie ad un costante monitoraggio del mercato e ad un’instancabile ricerca di stili e tendenze.

GOLDCONFORT is an up-to-date and dynamic reality born from young and qualified managers.
Through a careful and meticulous selection of high quality leathers and exclusive fabrics and thanks to its technology and to the rigorous control on the semi-finished and finished products today it finds its own dimension on the market and represents an important reality in upholstery.
Goldconfort’s goal is to create product fitting any environment thanks to a steady market monitoring and to an eager research of styles and trends.

GOLDCONFORT est une usine moderne et dynamique, fondée par des entrepreneurs jeunes et capable.
Avec une sélection très consciencieuse des cuirs d’haute gamme et des tissus très exclusives et grâce à sa technologie et aux contrôles très sérieux, effectués sur toutes les produits, elle trouve sa propre dimensions dans le monde du meuble tapissé.
L’objectif de Goldconfort est de créer un produit, qui s’adapte à chaque ambiance, grâce à un monitoring continue du marché du meuble et à une infatigable recherche des styles et tendances.

GOLDCONFORT - молодое и динамичное предприятие под началом молодых, но утвердившихся предпринимателей.
Благодаря аккуратному подбору высококачественных кож и эксклюзивных тканей, а также передовой технологии и строгому контролю сырья и готовых товаров, фабрика занимает ключевые позиции в области производства мягкой мебели. Голдкомфорт ставит перед собой задачу создать изделие, которое без труда впишется в интерьер; для этого фабрика постоянно изучает тенденции рынка и учитывает последние веяния в дизайне.
