A richly decorated interior space, likely a library or study. The focal point is a large, vertical mosaic artwork set within a dark, polished frame. The mosaic depicts a large, stylized chrysanthemum flower in shades of yellow and green, set against a deep red background with a repeating pattern of small, light-colored floral motifs. Below the flower, a large stack of old, leather-bound books is piled up. To the left, a red armchair is partially visible, and a large, vibrant red floral arrangement sits on a table. To the right, another red armchair is visible, and a small table holds a lamp with a red shade and a decorative object. The floor is made of light-colored wood in a herringbone pattern. The overall atmosphere is elegant and sophisticated.
