BOBOLI LETTO / BED

p.139

CARATTERISTICHE TECNICHE

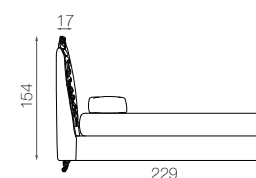

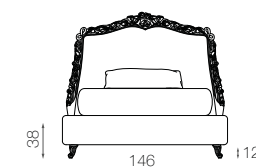

Tosconova ha sviluppato ed utilizza un proprio sistema letto brevettato, innovativo per utilità e qualità dei materiali impiegati.

Struttura in massello di tiglio e multistrato di pino con imbottiture in espanso indeformabile a densità differenziate. La struttura è completamente smontabile.

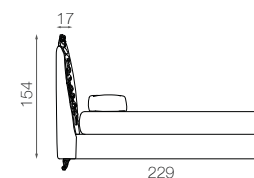

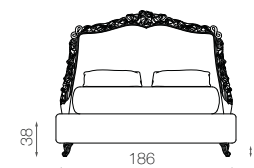

TECHNICAL INFORMATION

Tosconova use a own patent bed system developed internationally recognized, innovative for utility and quality of materials. Structure in solid lime wood and multilayer poplar. Padding in polyurethane of various density. The structure is completely disassembled.
